

# Le Blanc Los Cabos

Location: Los Cabos, Mexico

Resort Type: Adults Only

## Resort Summary

Le Blanc Spa Resort Los Cabos is a luxurious, adults-only, all-inclusive resort situated on the beautiful coastline between Cabo San Lucas and San Jose del Cabo. This resort is the epitome of refined elegance and a tranquil, relaxing escape. Guests can indulge in world-class amenities, including multiple infinity pools with stunning views of the Sea of Cortez and a large, award-winning spa with a complimentary hydrotherapy circuit. The resort's all-inclusive package is comprehensive, covering gourmet dining at its numerous restaurants, top-shelf beverages, and 24-hour room service. The atmosphere is sophisticated and quiet, making it the perfect choice for couples and adults seeking a peaceful, pampered getaway.

Each floor is assigned a butler who is available to assist with everything from making dinner reservations and drawing a bath to unpacking luggage and providing a pillow menu. It's also important to note that due to strong currents, swimming in the ocean directly in front of the resort is not permitted, but the resort's pools provide a beautiful alternative. The location is ideal for exploring both the lively nightlife of Cabo San Lucas and the more laid-back, artistic vibe of San Jose del Cabo, both of which are a short taxi or Uber ride away. While the resort offers a variety of wellness activities like yoga and aqua spinning, it is not a party resort and the evenings are generally quiet.
